**C F G**

Break every chain

**C F G**

Break every chain

**Am G F C**

Where your Spirit is there is liberty

**F G Am**

As You break every chain

**F G C**

Break every chain

Break every chain

Break every chain

Sins that bind are stripped away

As You break every chain

Break every chain

Break every chain

Break every chain

Forgiveness flows and our love grows

As You break every chain

Break every chain
