**E**

Don't want to make excuses

**A**

For a heart that's prone to stray

**E**

Don't want to keep repeating

**A**

The sins of yesterday

**C#m**

Lord I know You won't forsake me

**A**

**B**

When I come to You and say

**(chorus)**

**E**

I want to be changed

**A**

**B**

By the power of your love

**E**

I need to be changed

**A**

**B**

Only You can lift me up

**C#m**

More like Jesus

**A**

Day by day

**B**

This I pray

**E**

That I will be changed

**(verse 2)**

Don't want to be ashamed Lord

When I look into your eyes

Don't want to scorn your mercy

Or trade the truth for lies

Lord I know you won't forsake me

You have heard my deepest cries

**(chorus)**

**(bridge)**

**F#m**    **A**  
I want to be

**E**    **B**

This I pray
