Em

We do not fight against flesh and blood,

D Em

But principalities and powers;

C D Em

Spiritual wickedness in high places

Em

The weapons that we use are not of this world,

D Em

But they are mighty in battle

C D Em

To the pulling down of strongholds—

(chorus)

Am D Em

Lead us into victory, Oh Lord, Oh Lord

C D Em

The power of love will overcome the night

Am D Em

You have gone before us, Jesus our Lord

C D Em

So we know that we will win this fight

Em-C-D-Em

The enemy is a liar and a thief,

A master of deception

A lion seeking whom he may devour

The one that we serve is the King of Kings,

And He is our protection

No weapon formed against us shall stand—

(chorus 2x)

C D Em

So we know that we will win this fight

C D Em-Em-D-Em

So we know that we will win this fight
