**F G C**  
Lord sometimes I feel so weary  
**F G Am**  
And the distance seems so far  
**F G C Am**  
Between the darkness of my heart  
**Dm G**  
And the light of who You are

**F G C**  
Still You never have forsaken me  
**F G Am**  
And You count me as your friend  
**F G C Am**  
How can I resist a love so strong  
**Dm G**  
A love that has no end.

(chorus)

**F G C**  
Oh God, Oh God  
**F G Am**  
My soul cries out to You  
**F G C Am**  
Please take my heart  
**Dm G**  
Restore and make it new.  
**F G C**  
Change me, I pray  
**F G Am**  
Dont leave me as I am  
**Dm G C**  
Oh I fall on your mercy, once a gain

**F G C**  
Lord some days it's two steps forward  
**F G Am**  
And some days I fall behind  
**F G C Am**

Sometimes all I can do is crawl.

**Dm G**  
But on my knees I find

**F G C C**  
That You never have forsaken me

**F G Am**  
And You count me as your friend

**F G C Am**  
How can I resist a love so strong

**Dm G**  
A love that has no end

chorus)

**F G C**  
Oh God, Oh God

**F G Am**  
My soul cries out to You.

**F G C**  
Please take my heart.

**Dm G**  
Restore and make it new.

**F G C**  
Change me, I pray.

**F G Am**  
Don't leave me as I am.

**Dm G**  
Oh I fall on your mercy

**Em Am**  
I will cling To Your mercy

**Dm G C**  
I am changed by Your mercy once again
