<sup>Bm</sup>Jesus, <sup>G</sup>Jesus, help me <sup>D</sup>be more <sup>A</sup>like You <sup>Bm</sup>Daily <sup>G</sup>taking up my <sup>D</sup>cross <sup>A</sup> <sup>Bm</sup>Where You <sup>G</sup>lead me is where <sup>D</sup>I will <sup>A</sup>follow <sup>Bm</sup>No matter <sup>G</sup>what the <sup>D</sup>cost <sup>A G</sup>

Jesus, Jesus, plant your Word within me In the garden of my soul Let it take root, let it grow, bear much fruit Let its fruit make others whole

Jesus, Jesus, there's an ache within me Just to see your lovely face There's a day when we will be together When I've run this earthly race

(repeat 1st verse)
