

# I Lift You High

by Mark Selenich - Copyright © 1999

intro

**Bb Eb F Eb Bb**

(Verse 1)

**Bb**

**Eb**

Lord my life is not my own

**F**

**Eb Bb**

not my flesh, nor are these bones

**Bb**

**Eb**

My life is but a flash of light

**F**

**Eb**

**Bb**

That shines for You in this darkened night

(Chorus)

**Bb**

**Eb**

I lift You high, I lift You high

**F**

**Eb**

**Bb**

To Heaven's glory, I lift You high

**Bb**

**Eb**

The Moon and stars, the Earth and sky

**F**

**Bb**

Proclaim Your glory, I lift You high

(Verse 2)

Though I could have the gift of prophecy

And understand all mysteries

Without Your love, I am but a broken glass

A clanging cymbol or sounding brass

(Chorus)

(Verse 3)

Now in this race that I have run

When all is said and all is done

May it be known of this man

Until the end I firmly stand
